PRESS RELEASE

VIRTUALOFFICENTERS ANNOUNCES "ONECOMMUNITY"

Serving the Greater Good for Minnesota Nonprofits like ClearCause Foundation

Minneapolis, MN November 1, 2015:

In conjunction with Give to the Max Day 2015 (November 12) VirtualOffiCenters is pleased to announce OneCommunity, a spirit of giving program. Launching on November 11, OneCommunity will have a CONNECT Networking Party at France OffiCenter, 3800 American Boulevard West, Suite 1500, Edina Minnesota, 55431 from 4-6PM. Beer, wine and appetizers will be served.

VirtualOffiCenters is a shared workspace community of over 800 businesses, representing almost 1000 professional members. We offer award winning workspaces, meeting and conference rooms, video conferencing and administrative support in 5 Minneapolis locations since 1981. Over the years, VirtualOffiCenters has supported many nonprofit organizations by selecting partners to donate monies, food, and goods/gift cards for groups like Second Harvest, Toys for Tots, Project Elf and cancer charities, just to name a few. Now, with the launch of OneCommunity, our amazing members can combine their talents for the greater good and band together to select charities and opportunities for creative giving. In lieu of money, local nonprofits will benefit with tangible business services. VirtualOffiCenters is the first company offering workspace solutions, time, web design, marketing, legal, finance, coaching, and more to qualified nonprofit groups. It is our hope that OneCommunity will enrich the lives of those we serve within our workspaces. We are excited to see how OneCommunity can lift Minnesota nonprofit groups.

A page on virtualoffcenters.com will be dedicated to OneCommunity. Any local nonprofit group can visit the online portal to apply for in-kind help and support or request workspace and

business services that will help serve their needs. A selection committee made up of our members will choose groups where we can make a difference.

The Connect Party on November 11, will showcase a OneCommunity recipient, ClearCause Foundation, whose mission is to save lives and protect students abroad. VirtualOffiCenters provides office space and services to ClearCause at our Park OffiCenter location in St. Louis Park. Because of the validity that VirtualOffiCenters provides ClearCause, history was made with two legacy, landmark bills negotiated with Senator Terri Bonoff and Representative Yvonne Selcer at Park OffiCenter, mandating transparency on illness injury and death for K-12 and higher education student programs abroad. OneCommunity offered ClearCause professional resources for legal, administrative support, video conferencing, networking with community leaders, and event planning. Now, VirtualOffiCenters is helping ClearCause launch Safe Journey Academy in time for Give to the Max Day. Safe Journey Academy is the first standardized student safety training for programs abroad. VirtualOffiCenters will donate \$5 for every guest who takes and shares the Safe Journey Eye-opener Quiz.

OneCommunity will select from qualified nonprofit applicants on a quarterly basis. The committee will choose 501 (c) Organizations that can benefit from the services provided from the VirtualOffiCenters community. If your organization needs workspace, meeting rooms, phone, administrative support or any of the services mentioned above, please fill out an application on virtualofficenters.com under the COMMUNITY TAB, OneCommunity. We may be able to take your charity organization to the next level.

Please plan on joining us on November 11 to celebrate this exciting announcement as we begin OneCommunity, taking our tradition of giving to a new level. [RSVP NOW!](#)
